SUMMARY OF SUBSTANCE OF INTERVIEW

SIR:

On July 7, 2006, Applicant's representative, Jae Won Song (Ltd. Rec. No. L0203) had an interview with Examiner Phirin Sam to discuss the non-receipt of an office action that appears to have been mailed on January 18, 2006 according to the records of the private PAIR (Patent Application Information Retrieval) system of the USPTO. Jae Won Song was checking the status of this patent application on July 7, 2006 on private PAIR and noticed that an office action was mailed on January 18, 2006 according to PAIR, but was not received by Applicant's representative. PAIR shows that the office action was returned to the USPTO on February 2, 2006 as undeliverable. The returned copy of the January 18, 2006 office action available in the

24523/09667/DOCS/1637740.1

PATENT

image file wrapper of PAIR shows that the address label on the envelope was left blank with no address, although the office action cover page included the correct address, Fenwick & West LLP, Silicon Valley Center, 801 California Street, Mountain View, CA 94041. Hence, it appears that the office action was undeliverable due to a mailing error on the part of the USPTO by mailing the envelope with a blank address label.

In the Interview, Examiner Sam confirmed (i) that the office action was undelivered due to a mailing error on the part of the USPTO, (ii) that there is no obligation on the Applicant to file a response to the undelivered office action, and (iii) that the office action will be re-mailed with a new mailing date resetting the time period for response, see MPEP 707.13.

Therefore, Applicant understands that there is no response due to the January 18, 2006 office action.

Please re-mail the office action to the address of the attorneys of record on file:
